## Finance Authority of Maine FAFSA Lab

WCCC once again had the highest number of participants statewide that filed for their FAFSA's at WCCC's Annual Finance Authority of Maine FAFSA Lab last Wednesday night. According to Mary Dyer, Financial Education Officer of FAME WCCC had a total number of 58 participants and a total of 52 FAFSA's completed that evening. None of the other colleges even came close to that number. The only other sites that had more in attendance were Portland HS (99) and Lewiston HS (93) but had fewer FAFSA's files. Congratulations to Will O'Shea, and Alana P., Gayle, Cody and Donna for helping out with this event. Great Job!!!
