INSTRUCTIONS

Requirement to Disclose

The College requires you to complete the accompanying Student Disclosure of Criminal Convictions, Pending Criminal Charges and Certain Disqualifications form ("Form") because at least one clinical/field site where enrolled students are placed for practicum(s), externship(s) or field placement(s) require(s) the College to do so.

College Use of the Information Disclosed

Your answers on this Form will be used to determine whether the clinical site will accept your placement. The existence of a conviction, pending charge or other disqualification does not necessarily mean that you will be denied admission to a site. The site will evaluate each case on its own facts, looking at the nature, severity, recency of the crime, charge or disqualification, as well as the interests and needs of the site.

Full Disclosure Required

You must complete this Form to the best of your ability. This means that your answers must be truthful, accurate and complete. If you know of certain information yet are unsure whether to disclose it, you must disclose the information. The site will later determine whether the disclosure was required and, if so, whether the information is material.

Consequence of Failure to Disclose

By your signature on the Form, you certify that you understand and agree that your failure to disclose material information on the Form may result in immediate exclusion, suspension or expulsion from the site or the College.

Continuing Duty to Disclose

By your signature on the Form, you also certify that you understand and agree that you will notify the College immediately of any inaccuracies in, or corrections to, the information you disclose there. You also certify that you understand and agree that you have a continuing duty to notify the College of any conviction, charge or disqualification after you have completed this Form and until you have completed all of your practicums.
