11a.m to 2p.m. to provide  
assistance to all return-  
ing students who may not  
have registered for Fall  
2015 classes.

## WCCC Edible Book Creations

What a wonderful event! WCCC's Culinary & Baking students and the WCCC Library teamed up for the first Edible Book Creations event. Everyone was welcome to come sample some of the delicious creations and vote on their favorite. A big thank you and round of applause to Diane Parsloe, Culinary & Baking Instructor for her Cloudy with a Chance of Meatballs cake, and the culinary arts students for their awesome display of cakes.

Here is the list of students and the books/characters their cakes were based on.

1. Paul – Minnie Mouse ( from Walt Disney's Classic Storybook)
2. Mikayla – Panda and Polar Bear
3. Nicholas – Green Eggs & Ham
4. Arcilia – Ladybug (from Some Bugs)
5. Dan – Apples (from Jonny Appleseed)
6. Siobhan – Maisy Goes Swimming
7. Eben – The Ultimate Baseball Book
8. Vince – Winnie the Pooh 1-2-3
9. Ashly – Cat Talk
10. Caleb – If you give a Mouse a Cookie

Everyone said it was very difficult to vote, as all the cakes were really AWESOME! After counting a total of 74 votes, the winner of the \$25 bookstore voucher goes to Paul Francis!

WCCC named in 2014, 2013 & 2011 in the top 10% of Community Colleges in the USA (Aspen Institute)

Special points of interest:

Reminder that every Tuesday at 10a.m. in Apartment 4 of Quoddy Hall is the Veterans Support Group

Don't forget to complete your mandatory online safety training. If you need assistance, please see Robyn Leighton.

## Teddy Bear Clinic huge success!

The Early Childhood Education, Education (ECE/E) and Medical Assisting programs collaborated offered a Teddy Bear Clinic on Monday, March 23.

The event was attended by over fifty children, parents, childcare providers, students and patients. Patients ranged from superman to a bunny, named sweet cheeks!

Children brought their beloved teddy bears and other plush characters to the clinic for a check-up. The Medical Assisting students evaluated the bears by obtaining their vital signs, administering vaccines and assessed their hearing. "This was a great opportunity for the Medical Assisting students to apply the pediatric communication skills learned in the classroom," explains Medical Assisting Instructor, Cindy Moholland. Linda Levesque, Early Childhood Education Instructor agreed, "The Teddy Bear Clinic was a hands-on opportunity for ECE/E students to practice planning and delivering developmentally appropriate activities for young children."

The Early Childhood Education and Education students along with the WCCC Librarian, Elizabeth Phillips, coordinated and promoted the event. Participants were welcomed to the campus and read a story and sang a song about visiting the Doctor. Next, the participants went to the Medical Assisting and Phlebotomy Laboratory for their examination. When exams were completed, all were awarded certificates of good health!

The 2015 Phi Theta Kappa induction celebration will be held in the Assembly Room on April 21, 2015, at 5p.m.

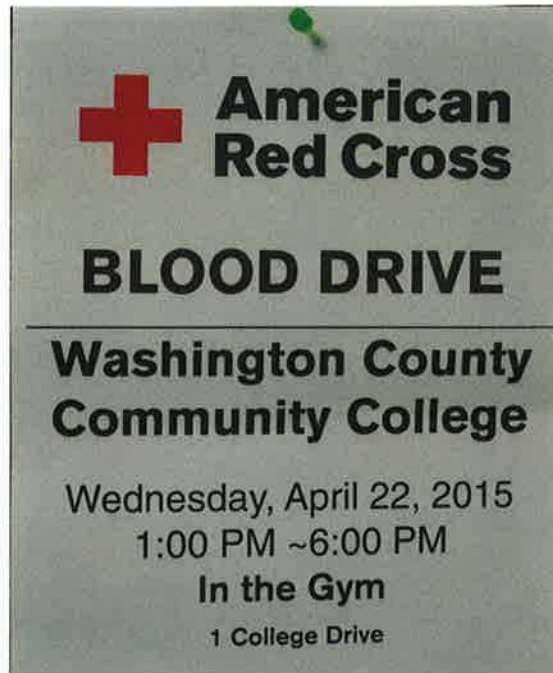

WCCC in 2014 was named  
46th Best Community  
College in the USA (The  
Best Schools.org)
