### **Plumbing Technology Tool List**

Students accepted into the Plumbing Technology program at Washington County Community College are expected to have certain tools prior to starting school. The tools listed below should be of top quality, but do not have to be a particular brand or brand new. If a student has a question about this matter, contact your instructor Todd Cushing at 207-454-1072 or at [tcushing@wccc.me.edu](mailto:tcushing@wccc.me.edu). You are expected to bring your tools to school opening day. Drafting supplies and books can be purchased through WCCC's Bookstore.
