Early Childhood Education

WCCC offers Associate in Applied Science and Certificate programs in Early Childhood Education.

The Associate of Applied Science (AAS) degree in Early Childhood Education (ECE) prepares graduates to enter positions in a variety of programs that serve children birth to eight years of age, including programs that serve children with special learning and developmental needs. Through a combination of coursework and practical internships, students gain foundational knowledge of the theories of child development along with opportunities for hands on experience including the delivery of meaningful curriculum, practice of observation and assessment, and the use of positive guidance and discipline strategies. That National Association of Education of Young Children (NAEYC) Professional Preparation Standards are weaved through ECE courses and internship experiences to prepare students with a working knowledge of core values and principles in the profession of early childhood education. The AAS degree may also be a pathway to earning a bachelor's degree and a teaching certificate.

The Early Childhood Education CDA certificate program at WCCC is a two-semester, integrated, comprehensive program covering 35 topics in Early Childhood Education in three courses (ECE101, ECE103, and PSY195), and 15 Early Childhood topics in special education and the field experience. Students apply for the national CDA credential through the Council for Professional Recognition.

Visiting the campus is easy. Contact the Office of Admissions at 207-454-1000 or admissions@wccc.me.edu to schedule a time to visit the Early Childhood Education program!

For more program specific information, please contact the program instructor Linda Levesque, llevesque@wccc.me.edu, 207-454-1044.

The Early Childhood Education program requires completion of the Student Disclosure of Criminal Convictions, Pending Criminal Charges and Certain Disqualifications. Completion of this form does not automatically deny admission to the program. Prospective applicants will meet with the Dean of Enrollment Management and Student Services to review information.

Washington County Community College is an equal opportunity/affirmative action institution and employer. For more information; please call Tatiana Osmond, Affirmative Action Officer, at 454-1094
