Credit by Articulation Agreement

Students who successfully complete the requirements of a secondary course articulated to a WCCC course may apply to receive credit for prior learning with this form. Please attach a high school transcript to this form and submit to the Coordinator of Enrollment & Student Services.

Students who desire credit by articulation must be enrolled at WCCC to receive credit and have satisfied all requirements in the specific articulation agreement the student has completed the secondary course or program under. If the student is awarded credit the course will be posted with a "TR" grade on the student's transcript. (Must be completed before or during the add/drop period.)
