# Business Management

The Business Management Associate in Applied Science program is designed to prepare students for success in establishing and operating a small business enterprise. The program has been designed to empower graduates to become intelligent risk-takers by providing skills and knowledge in operating practices to successfully start and manage a small business.

The economy of Maine is based, in a large part, on small businesses. Much of the economic development Maine will experience in the future will be in the area of small business. For this development to occur, a skilled workforce must be in position to envision, plans, develop, and operate small business.

Visiting the campus is easy. Contact the Office of Admissions at 207-454-1000 or [admissions@wccc.me.edu](mailto:admissions@wccc.me.edu) to schedule a time to visit the Business Management Program.

For more program specific information, please contact the program instructor Rhonda French at 207-454-1058, [rfrench@wccc.me.edu](mailto:rfrench@wccc.me.edu)

*Washington County Community College is an equal opportunity/affirmative action institution and employer. For more information; please call Tatiana Osmond, Affirmative Action Officer, at 454-1040*
